Organisation

QUALITY POLICY STATEMENT

At Fargo Courier Limited our primary goal is to deliver reliable innovative services backed by technology & professionalism to exceed the expectations of our clients and other interested parties.

To achieve this, we are committed to excellence and have put in place business performance measures ensuring we manage our business with continual improvement in mind.

Believing this to be possible:

1. We are committed to implementing and improving the effectiveness of the Quality Management System in conformance to ISO 9001:2015 Quality Management Systems requirements ,as well as applicable statutory requirements.
2. We are committed to communicating our goals within the organization and to interested parties .
3. We are committed to reviewing this policy as appropriate.
4. We are committed to continually monitor our clients' and interested parties' needs and expectations with a view of meeting emerging needs.
5. We are committed to managing our business risks to ensure business continuity

Providing leadership and resources to this end is my commitment to Fargo Courier Limited as the Operations Director
